Amendments to the Ontario Ministry of Health and Long Term Care's Underserviced Area Plan (UAP)

The Ministry of Health and Long Term Care is proposing amendments to the Underserviced Area Plan (UAP) that would limit communities that are underserved by family physicians. The Consultation Paper can be viewed on their website; http://www.health.gov.on.ca/english/providers/program/uap/uap_prov_consultations.html

Council is requesting the province to extend the consultation period from the end of September to late Fall to enable communities and the public time to consider the effects of these changes.

To comment online, please review the Consultation Paper and complete the survey. You can also submit your comments to Dalton McGuinty, Premier of Ontario; Deb Matthews, Minister of Health and Long Term Care; Julia Munro, local MPP and the Georgina Community Health Care Council.
