

Free Stewardship Workshop

Tuesday March 9, 7:00-9:00 pm (refreshments & sign-in at 6:30)
Georgina Ice Palace- Multi Purpose Room, Keswick (90 Wexford St.)

Join us to discuss how the **Lake Simcoe Community Stewardship Program** can help you manage your shoreline or rural property in a sustainable way.

Meet your neighbours! Share common concerns and learn about stewardship opportunities in your community

What you can do- Take home your complementary Lake Simcoe Stewardship Guide to create an environmental action plan. Address stream and shoreline restoration, septic system health, tree planting and naturalization, woodlot management and more

Need support? Access project planning assistance and funding through the Lake Simcoe Community Stewardship Program and program partners

Please RSVP to Sophia Maio at:
(905)713- 6544 or **lakesimcoestewardship@ontario.ca**

If you are unable to attend this workshop, but would like to find out more information, please visit www.ontariostewardship.org/councils/york/

The Lake Simcoe Community Stewardship Program is being delivered by the Province of Ontario with support from Environment Canada's Lake Simcoe Clean-Up Fund and local Ontario Stewardship Councils. Program partners will be in attendance at this workshop hosted in partnership with York Environmental Stewardship.
