

Fire Prevention Week
October 5th through October 11th, 2008

This year's theme is "**Prevent Home Fires**". Your home should be a safe haven, but do you regularly check for home fire hazards? If not, there is the potential for danger. We'll be spreading the word that with a little extra caution, preventing the leading causes of home fires – cooking, heating, electrical and smoking materials – is within our power. As part of Fire Prevention Week, the Georgina Fire Department meets with students in elementary schools throughout the area and also hosts Open Houses at all three fire stations in order to provide instruction on issues such as fire prevention, fire drills and general safety. For more information visit www.nfpa.org

This year our Open House will be on **Saturday September 27, 2008** from 10:00 a.m. to 2:00 p.m. at all three Fire Stations. Please join us for a fun filled day with face painting, colouring contest, finger printing kits, a B.B.Q and Sparky!!
